SPRING PROVINCE ASSEMBLY

Delta Psi (University of Minnesota - Duluth)

Join us for Northern Plains Province's Spring Assembly in Duluth, Minnesota on April 4-6th, 2025. Delta Psi has been working hard to prepare a great province meeting for us, and we are excited to share some initial details!

The theme for Saturday night's banquet will be "Province in Paradise"- featuring a tropical theme. More details on food and location coming soon!

IMPORTANT DATES

10 YEARS AGO, ZETA THETA BECAME THE 100TH ACTIVE KAPPA PSI CHAPTER

APRIL 4-6: SPRING PROVINCE ASSEMBLY

WANT YOUR CHAPTER TO BE FEATURED IN THE NPP NEWS?

Has your chapter had a unique or fun meeting or event that you want to share with NPP? Send off an email to npphistorian@gmail.com!

Please add a blurb about the meeting or event and a photo (or photos!) of brothers from the event. Newsletters will be sent out monthly throughout the semester and bimonthly during the summer.

A SUCCESSFUL PROVINCE!

By Beta Nu and Semi Sanchez

The brothers of the Beta Nu chapter at Creighton University would like to thank everyone for their attendance! We would like to highlight some of our successes and some ideas for future provinces.

Successes: we got a sponsor to help with the registration fee. This helped us dedicate more funds to things such as the goodie bags and the neon sign. Additionally, the bingo cards were a great way to help mix up the chapters and encourage brothers to meet each other.

Ideas for Future Assemblies: while we loved the bingo cards, in the future, we could also try some different meet-and-greet games. The bingo cards are a fairly popular activity at province assemblies, so we could always mix it up :)

On behalf of the Northern Plains Province, thank you Beta Nu! Your innovative planning and attention to detail made this a province that we will remember for years to come!

L'OREAL LUNCH LECTURE

By Epsilon

The brothers of Epsilon Chapter at the University of Minnesota had the opportunity to meet KY Brother and TikTok famous pharmacist Dr. Ethan Melillo to learn about his role as the Senior Manager of Integrated Health at L'Oreal Dermatological Beauty.

FALL FUN WITH WI GRAD

To bring together families of Collegiate and Graduate brothers, we gathered for apple picking! The fall fun continued with Brothers meeting up in Madison to cheer on our beloved Wisconsin Badgers! The combined Wisconsin chapters got into the holiday spirit by attending Enchantment in the Park, and viewing the park's Christmas light display.

Looking forward to 2025, follow the WI grad chapter via our brand new Instagram @kappa_psiWIgrad to stay up to date on all the Kappa Psi grad happenings in the Badger State.

CENTENNIAL CELEBRATION

By Beta Sigma

The Centennial event in the spring was a big success, thanks to the hard work of our planning committee. The weekend was filled with fun and meaningful moments. We kicked things off with a social on Friday evening, followed by the ND Grad meeting on Saturday. The celebration continued with a delicious dinner at Turf, a popular off-campus bar and grill, and ended with a formal event where brothers shared stories and memories about Beta Sigma's history. It was a great time for everyone to reconnect and celebrate all that we've accomplished as a chapter.

Has your chapter had a unique or fun meeting or event that you want to share with NBP? Send off an email to npph_torian@gmail.com!

PHILANT(H)ROPHY

By Delta Psi

The brothers of Delta Psi at the University of Minnesota Duluth have been hard at work with their philanthropic events! In addition to raising over \$2,000 for the Siena Francis house, which won them the philanthropy at Fall Province, they also participated in Adopt-A-Beach, and made goody bags for the CHUM center. This semester, they will be participating in Adopt-A-Family through Salation Army!
